I would like to have my Towing service considered for use on the State Police Troop  Rotation List.

I understand this application will have to be renewed annually and failure to honor the conditions of this application will result in the application and any subsequent approval being rescinded.

Attached are my complete application forms for authorized wrecker status (one for each vehicle) and my towing driver's list.

I understand that removable personal items shall not purposely be kept until payment is rendered. These items and any other personal effects will be released to the owner upon request if there is not police hold on them.

Any evidence of over-charging, inconsistent practices, unethical business practices, failing to pay assessed fines or fees owed to the state or any other practice which unfavorably reflects on the state police in any way shall result in the towing company's removal from the rotation list. I further agree to pay any assessed monetary fines to the LSP Towing Unit for any towing/storage violations of the State Police Procedural Orders committed by me, my company and/ or employees.

I agree that I will only utilize tow trucks that have been approved by State Police and display a valid "Troop Rotation Permit" for State Police initiated calls and that all company tow trucks operating on public roads shall have been inspected and permitted prior to their use.

I also agree that I will make application and pay the appropriate fees for a Storage Inspection License for each of the storage locations used by my company during the (fiscal year) contact period.
